

Important Update: 2026 District Office Hours & Water Order Information

The North Unit Irrigation District Office will no longer be open on weekends during the irrigation season.

How will this affect weekend water orders?

Weekend water orders will no longer be accepted by phone or in person at the District Office.

You may still place weekend water orders for Monday Delivery by:

Using the Online Portal

- Going online to the WaterUI portal (<https://waterui.com/login>) and placing your water order before 5:00 pm on Sunday.
- Need help setting up your online portal? Call or stop by the District Office! (541) 475-3625

Call the District Office on Friday

- Call the District Office on Friday before 5:00 pm to place your water order with office staff.

What if there is a weekend Holiday?

If a holiday falls on a Friday or Monday, the office will be closed. However, you can still call the office to place a water order and be connected with the on-duty Manager.

Water users Above Haystack (Rides 34-43):

- May continue to place water orders in the morning for same day turn-on between 6:30 and 7:30 am by contacting their Ditchrider. No water orders will be accepted after 7:30 am.

District Managers will remain on-call during weekends to handle:

- Emergency off orders
- Water-related issues your ditch rider cannot address.
